DETAILED ACTION

1. Amendment and response filed by applicants dated Sept. 24, 2004 have been entered and considered carefully. Claims 1-39 have been canceled. Claims 40-51 have been newly added and are pending.

2. A terminal disclaimer disclaiming the terminal part of US 6,458,811 and the patent issued based on SN 10/234,617 is acceptable.

3. *Reason for Allowance*

The following is an examiner's statement of reasons for allowance:

Applicants have amended the claims to be a limited scope further limiting the quantity (60 mg) of the active ingredient and method of treatment (preventing postmenopausal osteoporosis, i.e. see page 6 specification and claim 8 of original filing) of the issued claims. The filing of the acceptable terminal disclaimer obviated any issue in obviousness type double patenting. Therefore, claims 40-51 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Celia Chang whose telephone number is 571-272-0679. The examiner can normally be reached on Monday through Thursday from 8:30 am to 5:00 pm.
